Message from the Victorian Convenor

These workshops are designed to promote interest in careers in surgery, to give medical students hands on experience with surgical techniques and equipment, and to welcome students into the College.

These popular workshops are only open to final year students who are attending a Victorian Medical School.

You will have an opportunity to engage in a number of surgical skills stations facilitated by Fellows and Trainees.

We are confident you will find the workshop very rewarding as part of your professional development and return home with knowledge to assist you in your future career.
The Victorian State Committee, is proud to offer the Medical Student’s Surgical Skills workshop at the College of Surgeons in Melbourne.

Purpose
This is a rewarding one day professional development workshop designed to provide information and knowledge to assist Medical Students interested in a Surgical Career.

Learning Outcomes
- Gain information about the Training Program from a Trainee perspective
- Surgical skills

Sponsors
Sponsors are an important part of the Medical Students Surgical Skills workshop. Their sponsorship will assist the surgeons by supplying surgical equipment for the skills stations. You are encouraged to talk to the sponsors during the breaks.

Further information

RACS is the leading advocate for surgical standards, professionalism and surgical education in Australia and New Zealand and is a not-for-profit organisation that represents its members. We recognise the value and role of sponsors in assisting RACS to deliver educational events and we carefully select our sponsors. Any sponsorship agreements entered into with RACS is not an official endorsement of products or services.

Registration information

In the unlikely event that insufficient registrations are received to make this Victorian State Event viable or the date or location of this activity is changed, the College takes no responsibility for additional individual costs incurred as a result.

Please refrain from booking flights and accommodation until confirming that the activity is taking place with the Victorian State Office.

- These workshops are offered free to attendees. However, in the event that you are unable to attend, we ask that you advise us at least 7 days prior to the event so that the position can be re-allocated to another student on the waiting list.

- Failure to give less than 7 days’ notice will incur a fee. Note that allocations are not transferrable and if you are unable to attend, you will be forfeiting your position.

- Consideration will be given to circumstances of a medical or compassionate nature for which evidence is supplied.

While the support of sponsors for this program is greatly valued by the College, the College does not endorse any particular sponsors’ products and Fellows should make their own decisions in this regard.

Photography permission

During this Victorian State Event, the College may take photographs and make video recordings of the proceedings and attendees. These photographs and video recordings may be used for the following purposes:

- Reporting on this Victorian State Event in College online and hard copy publications

- Marketing future College events, including online and on social media

If you do not wish to be included in a photograph or video please advise the photographer.

The College handles personal information collected by it in accordance with privacy legislation. The College’s privacy policy is located on its website and the Privacy Officer may be contacted at: privacy@surgeons.org with enquiries or complaints.
